Congregational Church Community

Hello again

The Government have advised that 'In the next few days vulnerable people of all ages will be receiving a letter asking to them to register. 1.8 million letters are being sent out and it is important that these registrations are returned, since it is the only way provisions and resources can be suitably directed'.

Our volunteers, are being asked to 'support where we can'. If you receive a letter, and need any help in completing the registration process, or returning the form; please contact a local volunteer below.

Sally Sexton	Frolesworth Road/Main Street/Green Gardens	07837 777 012
